The Honorable Bud Cook  
Pennsylvania House of Representatives  
Room B-15 Main Capitol  
Harrisburg, PA 17120

Dear Representative Cook:

Thank you for your letter requesting an audit of the Washington County Local Share Account Program (LSA Program). Ensuring that the LSA grant program is operating with the utmost accountability and transparency is a shared goal.

The Department of the Auditor General works to ensure that funding administered through the state and its subsequent programs is then spent efficiently and effectively.

While I am not certain when resources within my Department would be available to conduct a review of the entire programs oversight process, my staff is continuing to review your concerns and request. I will keep you informed as to the progress we make.

Thank you again for bringing this important issue to my attention. Please continue to provide further information to my office relative to this issue and your request.

Sincerely,

A handwritten signature in black ink, appearing to read "Eugene A. DePasquale", followed by a long horizontal line extending to the right.

Eugene A. DePasquale  
Auditor General
